Subject: Reconsider and take Cannon AFB off the closure list

Please Reconsider to take Cannon AFB off the Closure

list. I am Joy Pulling, I am employed at Plains

Regional Medical Center as a Home Healthcare

Secretary. I think that is really going to make

my job a lot harder, if you close this Base it is

our Employer's and friends that we enjoy working

with in area. With all of us, we can keep Cannon

a nice place to live with the Airman here.

Signed

Joy Pulling

PS: On a personal note,
