Dear James T. Hill,

This is my input concerning your decision to close Cannon AFB in Clovis, NM. Here are a couple of reasons we have to offer to keep Cannon open as well as the major impact it would have on the surrounding community.

If Cannon goes so does the support from the area citizens for the bombing range and the supersonic flying in this area.

20-40% of stores will close.

The Melrose bombing range is only seconds away from Cannon.

We have no large airport or structures; therefore Cannon has abundance of air space and no encroachment issues.

The Impact to schools is projected to close 3 Grade Schools and 1 Junior High. High School 30% reduction, ENMU (Portales) 25-30% reduction, also CCC (Clovis) 28-35% reduction. This affects classes offered on Base for CCC and ENMU as well.

The closure will hit extremely hard economically with percentages 20-26% of job losses, almost double the nearest other base closing.

WE strongly urge you to reconsider your decision and "Keep Cannon".

Sincerely,

Kim Howard
