Louisiana AAP

✓ Uniqueness of the installation

- Able to offset MIF cost by leasing excess properties to 18 facility users.
- Supporting the Louisiana National Guard as a tenant at Louisiana AAP, supplementing its presence on the former plant property that has been reassigned to the National Guard Bureau for regional training.

✓ Opportunities for expansion...underutilized capacity / capability...

- Complete metal parts facility not being utilized. Includes 28 CNC lathes, two induction and three blast furnaces, nine welders, and heat treating capabilities.

✓ Supported other services, Fed , State Agencies...

- GOEX, facility user, only DOD supplier of military grade black powder
- Explo Systems, facility user, has contract to reclaim 12M pounds of TNT for DoD use .
- Louisiana National Guard operates Youth Challenge Center under facility use agreement.
- Webster Parrish Sheriff minimum security jail under facility use agreement.

✓ Value added/ impact if moved...

- Loss of back-up metal parts production capabilities for large caliber, artillery ammunition projectiles if excessed.
