Received

Dear Sir:

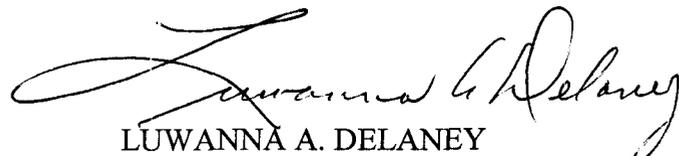

I want to thank you for the letter concerning the Air Force Institute of Technology at Wright Patterson Air Force Base. We also appreciate the Commission's work and everyone, including the President of the United States, in keeping Wright Patterson Air Force Base as part of Greene County. It is truly an asset to Greene County and the jobs there keep our economy from going below the index level.

Please be apprised the employees at the Wright Patterson Air Force Base are homeowners in Greene County, Ohio, which also adds to the economy as far as our sales tax and other items.

Again, thank you for the response, and we will all continue to work in order to keep abreast of any further developments in this management.

Respectfully submitted.

Yours,

  
LUWANNA A. DELANEY  
GREENE COUNTY AUDITOR
