MEMORANDUM FOR RECORD

SUBJECT: Combining Installations for Military Value Analysis

1. For the purpose of military value analysis, Forts Myer and McNair will be considered one installation, as will Fort Schafter and Tripler Medical Center. Fort Myer manages and operates Fort McNair. This in effect makes them one installation for purposes of the Installation Management Military Value model.
2. The same situation exists between Fort Schafter and Tripler Medical Center. Fort Schafter manages and operates Tripler Medical Center. Installation Management team recommended this consolidation based on the team's military experience and judgment.
