Decisions:

- Minutes of the May 1, 2003 Meeting approved as amended
- MJCSG will invite all team leaders, or their reps, to the next meeting

Action Items:

- Add ASD(HA)/TMA slot to each workgroup. ASD(HA)/TMA will address resourcing
- Pass names of Team 1 in the Joint Medical/Dental Infrastructure workgroup to the Supply and Storage Joint Cross Service Group
- Chair will sign and forward appointing memos to the workgroup chairs
- Workgroup chairs will brief their approach to capacity analysis at next meeting

Meeting Overview:

- BRAC 101 briefing was presented and reviewed by the MJCSG. During the briefing, the MJCSG discussed current legislation action seeking to delay the BRAC 2005 process. The MJCSG determined that activates should not be curtailed. The MJCSG was presented with a SECDEF memo to Congress on the need for BRAC 2005 to continue immediately. The MAJCSG was also briefed that the ISG will be asking for a briefing on progress towards the capacity analysis data call in July 2003 with the actual data call being forwarded to the Services in September 2003.
- DoD IG Support Briefing was presented. The DOD IG is a surrogate for the GAO and will seek attendance at selected workgroup meetings. The MJCSG asked the DOD IG to delay attendance at the workgroup meetings until after the first, organizational meetings.
- The MJCSG reviewed the status of the workgroup resourcing plans. The Chair highlighted the need to complete this task and move onto developing the capacity analysis data call.
- NEXT MEETING:** May 29, 2003 - 1500-1700, 1E801#7

GEORGE P. TAYLOR, JR.
Lieutenant General, USAF, MC, CFS
