During the 1995 BRAC, DOD recommended closure of Moffett Federal Airfield due to increasing costs. Because McClellan was also closed, the DOD recommendation could not be implemented. With the continued high costs and operational constraints in the bay area air traffic, why wasn't Moffett on the 2005 recommended closure list?

Illegal Character Entry!

By law, any information that you choose to provide to the 2005 Defense Base Closure and Realignment (BRAC) Commission must be incorporated into the public record. The information you provide will be used to inform the BRAC Commission's evaluation of the recommendations of the Department of Defense regarding realignment and closure of defense installations and to formulate the recommendations of the BRAC Commission. If you do not want your contact information to be incorporated into the public record, do not include that information in your submissions to the BRAC Commission. The BRAC Commission will not redact such information from the record once it has been submitted. The BRAC Commission will not consider any information provided by the public that is obscene or otherwise violates the law. Obscene or otherwise unlawful submissions will not be incorporated into the public record.

The BRAC Commission website does not collect any permanent data other than that which you submit by deliberate electronic message.
