Subject: FEB 23, 2005 IEC MINUTES

Ladies and Gentlemen:

Draft minutes for the February 23, 2005 IEC meeting should have been included in the message I sent you below on Friday, April 15, 2005.

I have attached them to this message and request you include them in the below roster of minutes to review/CHOP/concur.

Some of you have already provided your response to me. Thank you for your early feedback, and I hope this one additional set of minutes does not add too much to your already overwhelming workload!

Respectfully,
Laurel D. Glenn
