## MEMORANDUM FOR THE RECORD

Subj: MEETING WITH LIEUTENANT GOVERNOR OF INDIANA

- Encl: (1) House Concurrent Resolution No. 23, Indiana General Assembly  
(2) House Enrolled Act No. 1022, Indiana General Assembly  
(3) Handout, "Naval Support Activity Crane: Best Value Defense Installation for the 21<sup>st</sup> Century"  
(4) Booklet, "NSA Crane, Model Defense Technical Installation"  
(5) Presentation, "NSA Crane, Model Defense Technical Installation, Evolving with the Warfighter"

1. The Honorable Wayne Army, Acting Assistant Secretary of the Navy (Installations and Environment), met at 1130 on 25 February 2005 with Ms. Becky Skillman, Lieutenant Governor of Indiana, concerning possible BRAC action to close or realign Naval Support Activity, Crane, IN, and/or its major tenants, Naval Surface Warfare Center Crane (NSWC) and the Crane Army Ammunition Activity (CAAA). The meeting took place in Room 4D573 of the Pentagon. Also attending were: Mr. John W. Clark, Senior Advisor-Economic Growth to the Governor of Indiana, Mr. Peter Murphy, and Mr. Jim Lariviere. In addition, Mr. Robert K. Uhrich, OASN (I&E); and LCDR Vincent J. Moore, JAGC, USNR, ODASN (IS&A) were also present.

2. Ms. Skillman informed Mr. Army that the State of Indiana has a great deal of interest in keeping NSA Crane operating and viable. She stated that the economy of southern Indiana is highly dependent on NSA Crane, which is responsible for a huge percentage of direct employment. She advised Mr. Army that the community strongly supports the continued operation of NSA Crane. She also stated that NSA Crane is a very important asset to the Department of Defense, particularly in the areas of munitions and electronics. It is a large-scale industrial and technical facility, equivalent in many ways to a research university, and contains a variety of capabilities important to all services, as well as for homeland security.

3. Ms. Skillman advised Mr. Army that the State had taken steps to ensure that NSA Crane can remain a viable installation in the

future. She provided enclosure (1), a unanimous joint resolution passed by the Indiana General Assembly, congratulating NSWC and CAAA for their fine work in support of national defense. She also provided enclosure (2), a copy of an Act passed unanimously by the Indiana General Assembly, which protects NSA Crane from encroachment by creating a special zoning scheme for land surrounding the installation and providing for civil immunity within that area for against actions noise and telecommunications interference.

4. Ms. Skillman's group presented Mr. Army with enclosures (3) (4), and (5), which highlight NSA Crane's valuable attributes, as well as its expertise in the areas of ordnance, electronics, electronic warfare, pyrotechnics, batteries, force protection, and other areas crucial to national defense.

5. The Assistant Secretary thanked the Ms. Skillman and her group for their materials and advised them that their submissions would be provided to the Navy BRAC Office. The Assistant Secretary advised the group that recommendations for closure or realignment had not yet been developed. He also noted that some installations and regions would gain activities from the BRAC process. The Assistant Secretary highlighted the transformational objectives of this BRAC round, explaining that the BRAC process will comport with law and statute. He described the process as a matter of focusing on the 20 year Force Structure Plan (FSP), establishing the inventory required to support the FSP, determining current inventory, and reducing excess capacity. The Assistant Secretary emphasized that there are no preconceived lists of bases for closure or realignment. He stated DON policy of collecting detailed, certified data, to allow for decisions based solely on the selection criteria that treats all bases equally. The Assistant Secretary advised them that the Navy will consider community input and retain any information received; however, community information is not included as part of the certified data for decision-making.

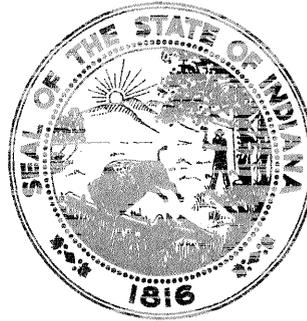

6. The meeting concluded at 1152.

Adopted by voice vote on February 9, 2004, during the Second Regular Session of the 113<sup>th</sup> General Assembly. A HOUSE CONCURRENT RESOLUTION congratulating the Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity on their critical roles in and contributions to our nation's defense and our state's economy.

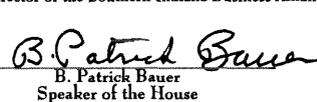

- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity comprise the third largest Naval base in the world, with 20% of our nation's ordnance storage capacity, state of the art electronics, ordnance, microwave, and acoustic laboratories and test ranges, and a secure location with no encroachment, comprising a national investment of some \$3 billion;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity provide essential goods and services that are critical to the effectiveness and safety of our men and women in uniform;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity provide unique ordnance, electronics, and electronic warfare capability, critical for precision weapons and force protection and defense;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity are established leaders in business practices, with the lowest man hour rates and highest productivity rates in their installation categories;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity were instrumental in providing products and services critical for our nation's fighting forces in Operation Enduring Freedom and Operation Iraqi Freedom;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity provide the Department of Defense a wide and diverse technical capability with nearly unlimited expansion potential in terms of geography, encroachment, environmental limitations, technical workforce availability, and community support;
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity could serve as one place to concentrate the Department of Defense's ordnance, electronics, and electronic warfare product and component knowledge and expertise, and provide a critical interface between the war fighter requirements and use and the defense industry development and production; and
- WHEREAS, The Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity have a critical economic impact on their surrounding community, their employees are involved as leaders in their communities, and the state embraces this Department of Defense center of excellence within its borders:

THEREFORE, Be it resolved by the House of Representatives of the General Assembly of the State of Indiana, the Senate concurring:

SECTION 1. That the Indiana General Assembly congratulates the men and women at the Crane Division of the Naval Surface Warfare Center and the Crane Army Ammunition Activity for working so diligently to become a critical part of our nation's defense and the Department of Defense's transformation capability.

SECTION 2. That the Principal Clerk of the House of Representatives shall transmit a copy of this resolution to Captain Daniel M. Wise, USN, commander Naval Surface Warfare Center Crane, and David M. Reece, executive director of the Southern Indiana Business Alliance.
