- This closure eliminates unnecessary capacity and capabilities and supports the development of multi-functional fully work-loaded Munitions Center of Excellence that support readiness for all the Services at other locations.
- Hawthorne Army Depot has a long and storied history, and has made significant contributions to supporting the army's missions; however the army must now look to future requirements and develop an installation portfolio that can support and sustain its new force structure, and missions as the Army transforms to an expeditionary force.

Hawthorne Army Depot

BRAC 05 recommends the closure of Hawthorne Army Depot, and in the process eliminates excess, reduces redundancy, and transforms remaining munitions production and storage installations into multi-functional munitions centers of excellence.

Incoming Activities

None

Departing Activities

What: Relocates Storage and Demilitarization functions to Tooele Army Depot, Utah.

Why: This closure eliminates unnecessary capacity and capabilities and supports the development of multi-functional fully work-loaded Munitions Centers of Excellence that support readiness for all the Services at other locations.

Other

20 Navy personnel will relocate to a location to be determined by the Navy.

Implementation Timeline:

According to BRAC law, these actions must be initiated within two years and completed within six years from the date the President transmits the report to Congress.

Internal Communications: (Hawthorne Work Force)

- Hawthorne Army Depot has a long and storied history, and has made significant contributions to supporting the Army's missions; however the Army must now look to future requirements and develop an installation portfolio that can support and sustain its new force structure, and missions as the Army transforms to an expeditionary force.
- Each unit and activity transferred from Hawthorne Army Depot has been placed to enhance its operational or support capability through consolidations or co-locations.
- The result of these hard decisions is a basing configuration that better supports our transforming Army and saves money.

¹ Based on FY03 ASIP data. Does not reflect any personnel changes resulting from standard programming and Command Plan actions since FY03.

External Communications: (Civilian community)

- Hawthorne Army Depot has a long and storied history, and has made significant contributions to supporting the Army's missions; however the Army must now look to future requirements and develop an installation portfolio that can support and sustain its new force structure, and missions as the Army transforms to an expeditionary force. The indirect economic impact of this closure is estimated at a reduction of less than 0.1 percent of the economic area employment.
- The Army is committed to working with local communities as Hawthorne Army Depot closes to smooth the transition process.

Approving BRAC Recommendations - Statutory Steps:

- 16 May 05 SECDEF forwards Recommendations to BRAC Commission
- 08 Sept 05 BRAC Commission recommendations due to President
- 23 Sept 05 President approves/disapproves Commission recommendations
- 20 Oct 05 Commission resubmits recommendations (if initially rejected by President)
- 07 Nov 05 President submits final recommendations to Congress. Once submitted, the plan becomes final within 45 legislative days, unless Congress passes a joint resolution to block the entire package.
