Subject: RE: Integrated SSEIs for HSA JCSG
Importance: High

Our system went down for a bit and this was kicked back...

Margy,

In HSA-0108R it says it is for 329,905 GSF but the scenario MILCON called for...

FAC	FAC DESCRIPTION	UM	NEW MilCon(UM)
6100	General Administrative Building	SF	684430
1498	Security Support Facility	SF	500
8511	Road, Surfaced	SY	92400
8121	Electrical Power Distribution Line	LF	1
8321	Sewer and Industrial Waste Line	LF	1000
8421	Water Distribution Line, Potable	LF	500
8241	Heat Gas Distribution Line	LF	500
N/A	Site Improvement/ATFP at Gate	EA	1
N/A	ATFP Site Improvements at Primary Facility	EA	1
N/A	Special Construction Features	EA	1
N/A	AT/FP Building Elements	EA	1
7331	Exchange Eating Facility	SF	3000
8521	Vehicle Parking, Surfaced	SY	38528

Can you correct please?

Thanks,
Paul

Very Respectfully,
