Subject: RE: Updated Capacity Report Follow-Up MilPers

Andrew, Please use these figures as mapped to the list of organizations below. Note: in your count for Q478 (number of personnel) need to be sure to only use the activities listed below and not include all the outside locations and bands. I calculate 2,050 people in the space shown below.
Thanks, Happy to answer any questions.
Col K

LtCol Warhola,

I have reviewed COMNAVPERSCOM'S data that was submitted for DON 4.3B/DOD 447. We are amiable to submitting one line for total core and one line for total administrative **BUT** we are not amenable to using only the selected administrative functions. The excluded activities are part of Military Personnel functions in that they support the QOL of all military personnel and they are part of

7/13/2005

DCN: 11231

COMNAVPERSCOM.

REQUEST 1: Core Personnel SF 183554
Admin Support SF 282147

REQUEST 2: The numbers in REQUEST 1 are Gross SF

This data is the same that was provided originally (except for the Admin rollup), therefore, I don't believe it should be certified again. If you disagree, I will be glad to have the Certifier to re-certify; but my question is, how do you want it done since this is not in DONBITS?

V/R,
Sharon Wadsworth

CDR Price,

I'm LtCol Warhola and am assigned to the Navy BRAC IAT. My current task is to assist the HSA JCSG with Navy and Marine Corps data issues. The JCSG just stood a DOD IG audit. The only issue they had was with the capacity data submitted for DON 4.3.B / DOD 447. The JCSG only used some of the Administrative Support Function data submitted by COMNAVPERSCOM in order to be consistent across military departments. The IG took issue that they did not use all of the data you submitted. The JCSG asked if Navy could give them one number for core and one for support. They used the one line in green for core and the blue lines administrative:

Activity	Organization Name	Function
COMNAVPERSCOM_MILLINGTON_TN	CNPC RESERVE SUPPORT (RPN)	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	CNPC RESERVE SUPPORT	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	CNPC FLEET AND FAMILY SUPT PGM	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	NPRST MILLINGTON TN	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	CNPC FAMILY ADVOCACY PROGRAM	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	CNPC CHILD DEVELOPMENT PROGRAM	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	TRANSITION ASSISTANCE	Administrative Support

DCN: 11231

COMNAVPERSCOM_MILLINGTON_TN	MWR PERS-65	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	NAVY MUSIC PROGRAM MGMT	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	COMNAVPERSCOM MILLINGTON TN	Administrative Support
COMNAVPERSCOM_MILLINGTON_TN	COMNAVPERSCOM MILLINGTON TN	Core Personnel Function
COMNAVPERSCOM_MILLINGTON_TN	NAVY BAND MID-SOUTH	Administrative Support
TOTAL ADMIN		

I'm not directing you to change your submission. I am asking if you are amiable to submitting one line for total core and one for total administrative. Also are you amenable to using only the selected administrative functions. If you use the selected functions this would necessitate reporting in USF vice GSF.

I'll be in a meeting tomorrow beginning at 1300 but available tomorrow morning if you have questions.

Very Respectfully,
 LtCol Paul Warhola

 RELEASE UNDER FOIA**

JCSG Request...

1. WRT **Q 447** for COMNAVPERSCOM_MILLINGTON_TN (does not include BUPERS activities) there are some clarifications the Navy can help with to move this past the DoD IG. For the question, the Navy did not answer a single SF number for Core Personnel and Admin Support as it did for NAVRESPERSCEN and EPMAC... rather they divided NAVPERSCOM into numerous sub-activities.
2. Based on the way the capacity Question was asked, HSAJCSG interpretation was that they included certain sub-activities that HSAJCSG does NOT include in its definition of Military Personnel functions, including: Family Support, Family Advocacy, Child Development, MWR, Music and Band activities.
3. The IG is citing us because we excluded the activities in item 2 above. So, we are now asking the Navy to look at the issue and tell us what they want considered as COMNAVPERSCOM's specific Military Personnel functions so we can satisfy the IG.

REQUEST 1: Please send in a certified answer for COMNAVPERSCOM with SF rolled up into a SINGLE NUMBER for Core Personnel SF and Admin Support SF

4. Also, since we had the detailed activity breakout for NAVPERSCOM and HSAJCSG excluded some of the activities, that would mean the SF occupied by the functions would be USABLE SF per the definition in the question (since it is shared space). Since the original answer showed Gross SF, we are asking for a clarification.

DCN: 11231

REQUEST 2: Please confirm whether the number shown for Request 1 is Useable (shared) SF or Gross SF.
