LET'S JOIN THE RACE TO SAVE OUR WILLOW GROVE NAVAL AIR BASE!

By Stewart Melrose, "The People's Poet"

It's time to save our Willow Grove Naval Air Station Joint Reserve Base.
It should not be closed for any budget case.
To close it would be an awful waste,
in fact, a real disgrace!

This Base makes our military forces real tough,
because it has all the "right stuff."
The Experienced and highly skilled civilian and
military personnel, along with the modern equipment
and strategic location, as well.

This Willow Grove Naval Air Base has become the keystone
for training and readiness for so many different guard and
reserve units today, who together protect this vital Mid-Atlantic
Coast from danger or terrorism everyday, and prepare our troops
for deployment to Iraq or Afghanistan or anywhere in harms way.

Finally, this base plays the vital economic and community role,
for the Willow Grove area, it's the heart and soul!

It's time Washington got the picture straight before it's too late!
For our nations defense, the community's well-being,
and the war on terror, keep Willow Grove Naval Air Base going
strong and long, the right decision without any error!
