Dear Commissioner Coyle:

I am writing in regards to the recommendation to close Cannon Air Force Base. I do not know much about the military but I have had family members that have been military. I have visited them in the different states and the difference that I have seen from those military bases to the one here in Clovis New Mexico is the available area. From the terrain to the open space that is available for training our troops, we are more accommodating than other bases.

I have attended the military air show many times at Cannon and I see the pride and respect these men and women have for our country and how it is spread and rejuvenated every year to our civilians. I know CAFB has won numerous awards for its hard work and dedication to our country. I appreciate CAFB and I know our surrounding communities do too.

Please reconsider your decision and let us make a difference for our country.

Respectfully yours,
