Dear Sirs,

On behalf of the Mineral County Economic Development Authority I thank you for the opportunity to appear before the Commission last Friday in Clovis, New Mexico.

I appreciated the interest the Commission Members demonstrated during the presentations for the closing of the 152nd Airlift Wing in Reno and the Hawthorne Army Depot, and I feel both installations received a fair and impartial hearing.

I feel confident the Commission will give both installations a fair evaluation based on military value and will make a final recommendation which is in the best interest of the Department of Defense and our national interest.

Again Thank You

Rob Schleef, Vice Chairman
Mineral County Economic Development Authority
Hawthorne, Nevada

*Thanks you.
Rob.*
