General Michael "Buzz" Moseley
 Vice Chief of Staff, USAF
 1670 Airforce Pentagon

 Washington, DC 20330-1670

Dear General Moseley:

It was good to see you during my recent visit to the Pentagon. Thank you for taking the time out of your busy schedule to meet with me. I enjoyed our discussion and look forward to working with you on the homeland security issues you mentioned. I also hope that when you visit Warner Robins in the near future you keep in mind potential uses for the B-1B facilities on the base.

Georgia has been proud partners with the Air Force for generations and I want that relationship to continue. Please call on me if I can ever be of service. I look forward to working further with you and with the U.S. Air Force. Again, thank you for your time and, more importantly, for your service to this country.

Sincerely,

Sonny Perdue
