### MEMORANDUM

From: Executive Secretary, Supply and Storage, Joint Cross-Service Group  
To: Deputy Assistance Secretary of the Army (Attn: Infrastructure Analysis,  
Dr. Craig E. College)

Subj: **S&S-0030 REALIGN STORAGE AND DISTRIBUTION FUNCTIONS AT  
SIERRA ARMY DEPOT**

1. This is to inform you that in deliberative session on 14 February 2005, the Principal members of the Supply and Storage Joint Cross-Service Group decided to cease further effort on scenario number S&S-0030 and to delete the scenario in the OSD Tracking Tool. Lack of well defined storage requirements caused us to make this decision.

This also informs you that the Supply and Storage Joint Cross-Service Group would have no objections if the Army proposes an internal realignment of storage and distribution functions at Sierra using Army installations and resources.

2. Points of contact are Mr. Robert Williams or Mr. Rodney Okabayashi at DSN 426-9401 ext 268/246, COMM 703-696-9401 ext 268/246.

  
Louis J. Neeley  
Colonel, U.S. Air Force  
Executive Secretary, Supply and  
Storage Joint Cross Service Group
