BRAC Commission
Admiral Harold W. (Hal) Gehmen, Jr. (USN, Ret)
2521 South Clark Street, Ste. 600
Arlington, VA 22202

RE: BRAC Commission Recommendation

Dear Commissioner Gehman:

As a member of the New Mexico Municipal League and a proponent of a diverse state economy, The City of Deming supports the White Sands Missile Range (WSMR) Community Response Team's effort to save the WSMR – Army Research Lab from realignment to the Aberdeen Proving Grounds in Maryland.

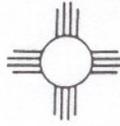

The impact of such realignment could potentially affect as many as 382 professional and technical employees in the Las Cruces and Alamogordo area and disrupt the association between the New Mexico State University's Physical Science Laboratory and the Army Research Lab on development and testing of Department of Defense systems.

The City of Deming urges your reconsideration of the WSMR realignment and conclude to keep the Army Research Lab at current strength in New Mexico.

Sincerely,

Sam D. Baca, Mayor
