THE ARMY BASING STUDY (TABS) GROUP**

CHARTER FOR  
THE ARMY BASING STUDY (TABS) GROUP

PURPOSE

This Department of the Army charter establishes The Army Basing Study (TABS) Group, hereinafter referred to as the TABS Group, and specifies the authority, missions, and responsibilities of this organization.

AUTHORITY

Effective 15 January 2003, the TABS Group is established as a temporary organization under the Assistant Chief of Staff for Installation Management (ACSIM) who will provide it administrative and logistical support. The Deputy Assistant Secretary of the Army for Infrastructure Analysis (DASA(IA)) from the Office of the Assistant Secretary of the Army for Installations and Environment (ASA(I&E)) will be dual-hatted as the Director of the TABS Group. This organization is established to enable the Department of the Army to comply with the provisions of Public Law 101-510, as amended. This charter expires 30 days after final approval or disapproval of the Commission report by the Congress, or sooner at the direction of the charter signatories.

CONCEPT

The TABS Group will accomplish the planning and execution of the Army's responsibilities in the development of base realignment and closure (BRAC) recommendations for BRAC 05 in two phases. On 15 January 2003, a core group of approximately seven personnel will stand up to organize the effort. The complete TABS Group will become operational not later than 1 September 2003.

## MISSION

The TABS Group will examine the issues surrounding the realignment and closure of Army installations within the 50 States, the District of Columbia and U.S. Commonwealths, territories and possessions, and make recommendations to the Secretary of the Army and Chief of Staff, Army concerning potential realignments and closures. Additionally, the TABS Group will serve as Army single point of contact for BRAC 05.

The TABS Group will conduct a comprehensive, detailed military value assessment of Army installations; evaluate base realignment and closure alternatives; and develop, document, and publish base realignment and closure recommendations to be submitted to OSD and the Commission that are consistent with Department of Defense (DoD) and Army force structure plans, BRAC selection criteria, and the requirements of Public Law 101-510, as amended.

## PRINCIPLES

The TABS Group will observe the following principles in performing its mission:

- a. Comply with the provisions of the Defense Base Closure and Realignment Act, as amended, and other relevant legislation that may be enacted subsequent to approval of this charter.
- b. Comply with the guidance promulgated by the Office of the Secretary of Defense (OSD), the Secretary of the Army, and the Chief of Staff, Army.
- c. Use installation resources to most effectively and efficiently support the Army Stationing Strategy.
- d. Ensure the capability of the base structure in the U.S. to support the training, *mobilization, modernization*, deployment, reconstitution, and sustainment of the Army.
- e. Provide the Army's soldiers, family members, and civilian employees with a high quality base structure in which to work, train, and live.
- f. Consider all installations equally as candidates for realignment or closure without regard to whether the installation was previously considered or proposed for closure, realignment, or as a receiving installation by a previous round of BRAC.
- g. Ensure that CONUS installations can absorb OCONUS forces should they be re-stationed to CONUS.

## LEADERSHIP GUIDANCE

The following guidance has been provided by the Army's Leadership to support the decision-making process under BRAC 05:

- a. Ensure the BRAC analysis is criteria-based, rigorous, and auditable.
- b. Ensure recommendations are consistent with the Army Stationing Strategy.
- c. Support Army Transformation, including logistics and personnel transformation.
- d. Recommend joint stationing solutions for cross-service functions that enhance Army Transformation.
- e. Enhance the Army's power projection capability.
- f. Consolidate RC and AC activities onto joint use military installations where appropriate and in accordance with recruiting demographics studies as required by DODD 1225.7.
- g. Consolidate functions wherever appropriate, including schools, personnel, logistical, and other management functions.
- h. Provide training opportunities that are not impacted by encroachment.
- i. Relocate DOD functions from leased property onto DOD-owned property where appropriate.
- j. Consider enhancing force protection (even if costs increase) by: moving units from leased space; moving units from the National Capital Region; and re-stationing units so as to consolidate forces.
- k. Ensure the future readiness of Army forces while reducing the long-term cost of the base structure.
- l. Ensure recommendations are consistent with AKM goals and transformation to a netcentric Army.

## RESPONSIBILITIES

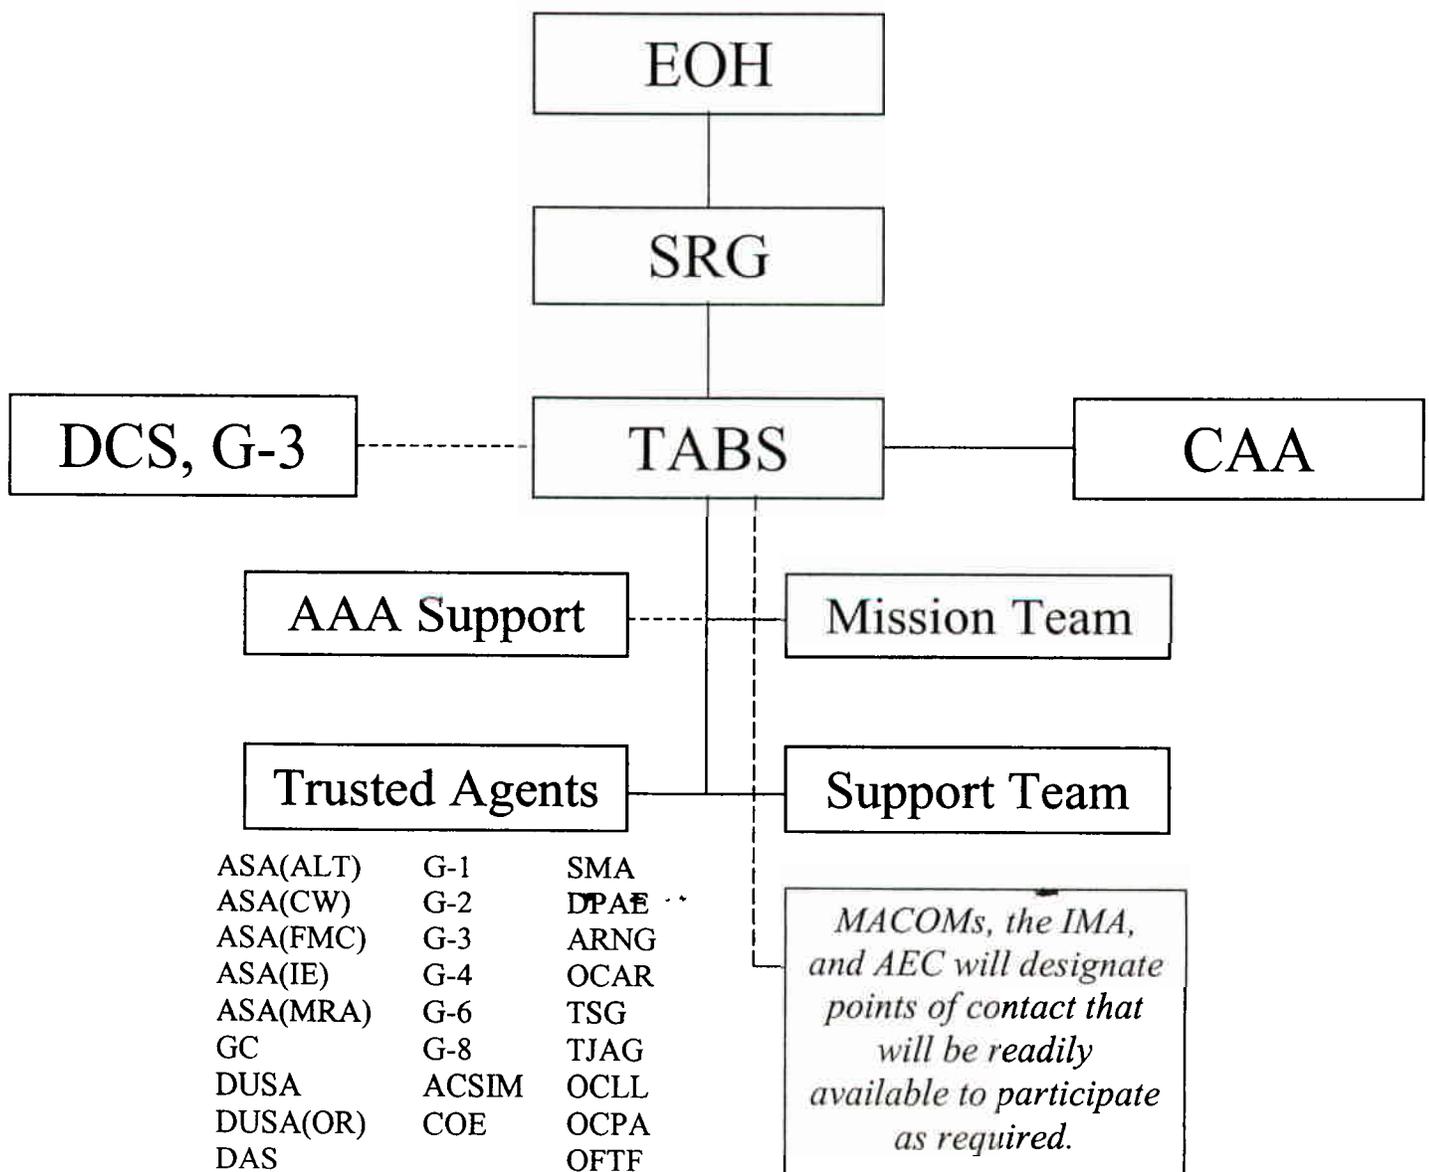

The TABS Group will:

- a. Serve as the single point of contact for HQDA for BRAC 05 and meet all legislatively directed and OSD-directed BRAC 05 milestones.
- b. Develop, document, and publish base realignment and closure recommendations to be submitted to OSD and the Commission.
- c. Support DoD's development of BRAC criteria and the FY05 submission of the force structure plan, infrastructure inventory, and certification of the need for BRAC.
- d. Apply lessons learned from previous BRAC rounds to refine the study process.
- e. Provide program management and contractor supervision for the Cost of Base Realignment Actions (COBRA) Model.
- f. Conduct on-site visits to installations, as needed.
- g. Keep informed on property transfer actions currently being implemented by the ACSIM's Base Realignment and Closure Office (BRACO).
- h. Seek advice from the Army Audit Agency (AAA) in developing, documenting, and implementing effective internal control procedures. As required, request AAA attestation/audit services to review the accuracy and validity of the processes, methodology, assumptions, calculations, and data used.
- i. Conduct a comprehensive, detailed military value assessment of Army installations in concert with the G3 and the Center for Army Analysis (CAA).
- j. Evaluate all base realignment and closure alternatives for consistency with the DoD Selection Criteria and the DoD Force Structure Plan.
- k. Integrate Army and OSD initiatives that may affect basing requirements.
- l. Support OSD initiatives to facilitate the BRAC analysis by participation in these initiatives or by recommending to the Army Leadership the appropriate Army representation.
- m. Present recommendations to the Army Leadership for final approval. Provide in-process reviews not less than quarterly.
- n. Support Army and OSD witnesses who testify before the Commission or Congress.
- o. Assist the BRACO in the transition from BRAC 05 analysis to BRAC 05 execution.

ORGANIZATIONAL STRUCTURE AND MANPOWER REQUIREMENTS

The complete TABS Group will be staffed on a full-time basis by up to 30 personnel. The Deputy Assistant Secretary of the Army for Infrastructure Analysis (DASA(IA)) will serve as the Director of the TABS Group. A colonel will serve as the Deputy. Personnel will be re-assigned from Department of the Army to fill all positions. Duration of assignment is date assigned until 30 days after final approval or disapproval of the Commission report by the Congress, or release at the direction of the Director of the TABS Group.

Additionally, representatives from various elements of HQDA will support the TABS Group on an on-call basis. The representatives will constitute the Trusted Agents for the BRAC 05 effort. These elements include representation from the assistant secretaries of the Army, the General Counsel, the DUSA, the DUSA(OR), ARSTAF principals, OFTF, DPAE, AAA, CAA, OCAR, and DARNG.

SUPPORT

Funding: The estimated annual operating budgets (\$ in thousands) for the TABS Group are:

	FY03*	FY04**	FY05**
Civilian Salaries	226	751	751
Travel	80	190	95
Supplies	93	26	13
Studies	500	3000	2000
COBRA Enhancements	800	200	200
TOTAL	1699	4167	3059

\* FY03 assumes 2 GS-15, 3 GS-14, and 1 GS-9 for three months

\*\*FY04, FY05 assumes 2 GS-15, 3 GS-14, and 1 GS-9 for full year

Funding support for the TABS Group will be provided by ACSIM. If the existence of the TABS Group is extended beyond 30 September 2005, additional funding will be addressed at that time.

Office Space: Initially, the TABS Group will require space for 7 people for the core group. This space will be provided within the Pentagon by the ASA(I&E). Beginning in the summer of 2003, the TABS Group requires general-purpose administrative space to accommodate a minimum of 36 personnel (the TABS Group, AAA, GAO, contractors), associated office furniture, computers and office equipment (e.g. file and storage cabinets, photocopy machines, facsimile machine), and a conference area of sufficient size to accommodate 20-25 personnel.

The TABS Group should be located outside the Pentagon adjacent to a Metro station within 10 minutes of the Pentagon to be most effective and to allow easy access to Army leadership and various Army, OSD, and Joint Staff agencies.

Office Furniture and Equipment: Requirements for the TABS Group are identified below.

- Modular furniture for 34 personnel.
- Office furnishings for one member of the Senior Executive Service and one colonel.
- Desktop computers (IMCEN-standard laptops with docking stations and separate monitors) for 36 personnel that meet the HQDA standard for speed, power, software applications, and so on.
- Four laser printers.

- One plain paper facsimile machine.
- Two photocopy machines: one high-speed black and white and one color.
- Three four-drawer safe suitable for classified materials.

Communications Connectivity: Minimum requirements for the TABS Group are:

- One commercial/DSN telephone line for facsimile machine.
- One SIPRNet connection, laptop, docking station, printer, and safe for secure storage.
- Thirty-six commercial telephone lines.
- Connectivity to the Headquarters, Department of the Army email system, Army Knowledge Online, and the Internet for 36 computer workstations.
- Four cellular telephones.
- Four Blackberries.

### COORDINATING INSTRUCTIONS

The Director of the Army Staff has responsibility for coordinating and synchronizing all HQDA actions on behalf of the Executive Office of the Headquarters (EOH). Actions of the TABS Group will be similarly synchronized in accordance with guidance from the Director to the HQDA staff.

The Assistant Secretary of the Army (Installations and Environment) is responsible for policy and oversight of all base realignment and closure initiatives. Formal Department of the Army submissions, correspondence and documents developed by the TABS Group will be signed by the ASA(I&E) or his designee unless he deems that they should be signed at a higher level.

The Deputy Chief of Staff, G3, is the stationer of the Army and staff proponent for unit activations, inactivations, relocations and other force structure changes. The G3 will provide the Army Stationing Strategy to the TABS Group as the Army's stationing requirements and will provide stationing alternatives to the TABS Group for evaluation.

The Assistant Chief of Staff for Installation Management is the Army Staff proponent for the implementation and execution of BRAC and will fund the TABS Group's efforts.

All MACOMs, the IMA, and the Army Environmental Center (AEC) will designate points of contact that will be readily available to participate with the TABS Group as required.

The TABS Group will serve as Army single point of contact for BRAC 05 to coordinate with the BRAC efforts of OSD, the Joint staff, the other services, and the Defense Agencies.
