

Dear Marilyn,

I know this is crunch week for you, but I wanted to thank you for being receptive to our comments. Based on our conversations, I have no doubt you will make the best decision possible. Regardless of how it turns out for Pensacola, you and the entire staff deserve praise for a monumental effort under extremely tight time limits.

Also, thanks for the info on NSPS. Those who expect to deal with the calls are very appreciative.

Again, best to you this week. You've definitely earned a long vacation when it's done! sincerely, John Gallagher
