Dear Honorable Samuel K. Skinner,

Received

We here at Galena/Louden would like to thank you for giving us full consideration during the BRAC proceedings.

Your willingness to give us much needed time to adjust to this FOL closure was met with appreciation by all parties here in Galena.

Mr. Skinner, we saw, and understand, that this has been a long and arduous process for you and your family. We thank you for your devotion to duty.

We would also ask a parting favor of you: The next time you see your family, please, from us; tell them that Loudon Tribal Council thanks them for fostering a home where a man such as yourself can devote your time to serving our great nation.

As we close this chapter of our lives, the Yukon River still flows and the fish swim by and life will go on. Perhaps a little slower, but so much sweeter because of your dedication and consideration to your fellow Americans. We wish upon you a good and prosperous life and a heartfelt thank you. God bless you and your family.

Respectfully and Sincerely
