Dear Commissioner:

This is to offer my congratulations to you on your appointment as commissioner on the 2005 Base Realignment and Closure Commission. This duty is a monumental and service-altering mission; and all decisions will be painful for our nation and our communities.

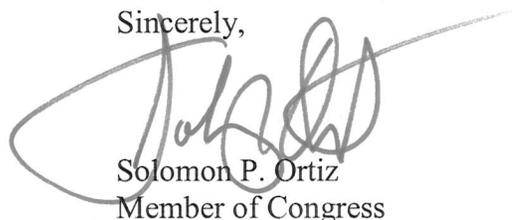

I look forward to having an ongoing conversation with you about the national security missions carried out by the military bases in South Texas over the next several months. The support the people of South Texas have shown for these facilities, their critical missions, and our national defense is unparalleled and we look forward to conveying this to the commission.

Your military experience will enable you to assume a leadership role with the Commission as it fulfills its essential oversight role in this process. This oversight role is essential to the successful execution of this process.

I do not envy you in this role, but you do have my eternal respect for the patriotic task you play on this commission ensuring the needs of our service men and women are maintained.

With kindest regards, I am

Sincerely,

Solomon P. Ortiz
