Re: Cannon Air Force Base, Clovis, New Mexico

Dear Sir or Madam:

Thank you for the opportunity to express my feelings toward the BRAC closure list regarding Cannon Air Force Base. It is greatly appreciated that while performing your commission duties, the time is taken out to hear the public's feelings regarding the placement of Cannon Air Force Base.

Cannon Air Force Base has been a huge part of my life and those around me for quite some time. I was born in Clovis, NM as was my brother; I am now 18 years old and my brother is 21. I am currently working part-time for a lawyer in Clovis as a secretary and I will also be attending Eastern New Mexico University in the fall. When I started attending school at the age of four I quickly became associated with Cannon Air Force Base. While attending pre-school I was intrigued at the amount of students in my morning class that were from different parts of the country. All through school from pre-school, elementary, junior high and even high school, I began making friends from Cannon Air Force Base. I loved that I was able to associate with students who had seen different parts of the world. I have made life long friends from Cannon Air Force Base. If Cannon was not part of my life while growing up I do not believe that I would be as open hearted and welcoming of people and their cultures as I am today.

With this little information about me I hope you can see how living in Clovis with Cannon as my neighbor influenced me. My heart grew and I learned the differences between people and their cultures and how no matter what's the difference we could all be friends.

I believe Clovis is a great place for Cannon Air Force base. Clovis has excellent fight weather, great airspace, little electromagnetic interference and great air traffic control. The community of Clovis and the Committee of Fifty works together to fulfil every request made by the Pentagon. Where else would be a better location for Cannon Air Force Base than Clovis, New Mexico? Cannon Air Force Base helped bring my small town of Clovis to life. Cannon isn't just a base to us it's the heart of Clovis.
