Dear Mr. Chairman:

As you know, many news articles appeared this morning regarding a BRAC memorandum apparently examining the Commission's legal authority over Air National Guard assets.

These reports obviously have generated considerable public interest and confusion. Accordingly, I am writing to request that you furnish me with a full copy of this memo today. For any logistical arrangements, please contact Steven Broderick of my staff at 202-225-3111.

Sincerely,

William Delahunt
