*RE: Cannon Air Force Base*

Dear Commissioner Newton:

I am the Chairman of the Clovis/Cannon Chapter of Ducks Unlimited. We have been an active viable Ducks Unlimited Chapter now for twenty-six (26) years. I was in fact the first on such committee. You will know by our name, which has *always* had the inclusion of Cannon, for Cannon Air Force Base of our close ties to Cannon and its personnel. Our fundraisers and activities are held at the Cannon Air Force Base Officer's Club. We have had over the years various members of the Air Force Base as members of our local committee. We have several chairpersons of our committee who were active personnel at Cannon Air Force Base.

Our purpose is to raise monies for wetland preservation/conversation. That has been Ducks Limited's mission since 1937. Our committee is in favor of the continuation of Cannon Air Force Base's mission and believe it is and will be a continuing benefit to our community and the nation.

**Please vote to keep Cannon Air Force Base open.**

Sincerely,

John McNeil  
Chairman
