Dear Commissioners,

I think closing Ft Monmouth will put the lives of the men and women fighting to protect this country at risk by disrupting the support Ft Monmouth provides to the warfighter. I do support making Ft Monmouth a sub-installation to the Megabase of Ft Dix/Lakehurst/McGuire for the following reasons:

1. The integrity of the support provided by Ft Monmouth to our warfighters will not be disrupted
2. Prevents the "brain drain" thus allowing the continued development of a superior joint fighting force
3. Saves tax payer dollars by eliminating the relocations/construction costs and by consolidating the base operations under one overarching Garrison Commander
4. Promotes the jointness of the Air Force, Army, Navy

Please do the right thing and Keep Ft Monmouth Open

Very Respectfully,

Vincent Migliore

Dear Sirs:

I am writing to request you not to close Fort Monmouth, N.J. There are many technical, scientific and financial reasons not to do so. But mine is personal.

I am a 78 year old mother of a 49 year old handicapped man employed at Fort Monmouth under the Fed. Hand. Program. He ~~cannot~~<sup>might</sup> move to Maryland and could not find a job elsewhere. He is too young to retire and therefore faces a bleak future - when I'll not be here to help him.

Please give some consideration to the effects a closure would have on the lives of so many.

Thank you for your help.

Sincerely yours,  
Doris W. Kopf
