Base Realignment and Closure Commission
2521 South Clark Street, Suite 600
Arlington, VA 22202

Dear Chairman Principi:

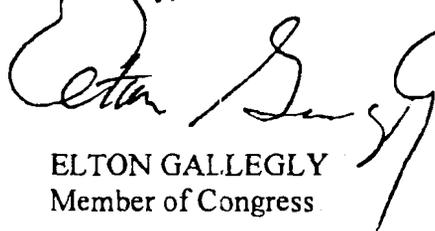

I am writing to request your assistance in arranging a meeting with two of your staff members, Dave Van Saun and Frank Cirillo with a small group of individuals who represent the interests of Point Mugu on August 12, 13 or 14.

The group consists of Rear Admiral George Strohsahl (Ret.), Rear Admiral Dana Mckinney (Ret.) and Captain Jack Dodd (Ret.). All three were presenters at the June 14 Regional Hearing held at Westchester High School in Los Angeles and were former commanders or vice commanders of the China Lake/Point Mugu sites.

They would like an opportunity to set the record straight on a number of issues that have surfaced since the Regional Hearing in Los Angeles. I would appreciate any help you could provide in accommodating the Mugu contingent so they may have the ability to bring all necessary information to your commission.

Your staff may contact me at my district office in Thousand Oaks at (805) 497-2224. Thank you for your attention to this important matter. I look forward to your reply.

Sincerely,

ELTON GALLEGLY
