

BRAC COMMISSION 7/27/65 Barbara Gibson

I cannot believe that educated people could be so stupid and have absolutely no common sense, what do you want, another Pearl Harbor?

Keep up your work and maybe your wishes will be granted.

I'll pray for you, Lord knows you need it.

Dear BRAC Commission Members,

I respectfully ask you to reverse the recommendation of the Secretary of Defense regarding closure of the New London Sub Base.

This base is an integral part of our community in southeastern Connecticut. The negative impact of closure on our local and state economy far exceeds the documented benefit to relocate our defense installations.

Thank you for your work and your consideration.

Sincerely,
