Brigadier General Sue E. Turner,

I am very concerned about the proposal to close Cannon Air Force Base.

My husband retired from the Air Force in 1990. We made our home in Portales because it was close to Cannon where we receive our medical care. Many other retirees have settled here also.

Cannon is a major part of our community. I cannot imagine what it would be like to lose all the friendly people at Cannon. I do know that it would have a devastating effect on our economy.

Please take into consideration these special attributes Cannon offers to our national defense: abundant airspace, ideal year-round flying weather, a bombing range that is seconds away, and lots of room for expansion.

Please reconsider and take Cannon off the BRAC list.

Respectfully,
Linda J. Hoffman
