The Honorable Philip Coyle  
BRAC Commission

Dear Commissioner Coyle:

I am writing this letter regarding the closure of Cannon Air Force Base. Cannon's military value is greatly needed and appreciated here in Clovis therefore Cannon should not be on the closure list. The base has an abundance of air space which provides for safer and more realistic training scenarios for pilots and the weather in Eastern New Mexico provides year round training ability. Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. The Clovis community values relationships and Cannon is part of our family. I was shocked to hear of Cannon on this list because I have military friends that had planned to move back to Clovis for their retirement and now they are considering other areas for retirement, their reason, there would be no military facilities to accommodate their needs.

I invite you to come to the Cannon hearing in Clovis. Please reconsider Cannon's importance to my community and to the nation. Please, let us keep Cannon!

Sincerely,
