received

**PORT INDUSTRIES
OF CORPUS CHRISTI**

**RESOLUTION OF
THE PORT INDUSTRIES OF CORPUS CHRISTI
NUECES COUNTY, TEXAS**

*Working for
a Balanced
Partnership*

WHEREAS, The Port Industries of Corpus Christi (PICC) is a trade association of 15 of the area's largest port related employers. Together they work to ensure a sound business climate in our community and provide a forum for industry to discuss and address common issues; and

Air Liquide

CALPINE

Celanese

*CITGO Refining and
Chemicals, L.P.*

WHEREAS, the PICC along with the Port of Corpus Christi Authority of Nueces County, Texas is disappointed with the announcement by the Pentagon of the proposed closure of Naval Station Ingleside; and

DuPont

Elementis Chromium, L.P.

Flint Hills Resources, L.P.

WHEREAS, the proposed closure of Naval Station Ingleside will negatively impact approximately 1,901 military personal, 260 civilians and 57 mission contractors, the PICC would like to stress the military and economic importance of Naval Station Ingleside to the region; and

Javelina Company

Lyondell

*Magellan Terminals
Holdings, L.P.*

WHEREAS, the PICC seeks to partner with area stakeholders to not only protect Naval Station Ingleside but to enhance its vital mission to our country; and

OxyChem

*Port of Corpus Christi
Authority*

NOW, THEREFORE, BE IT RESOLVED THAT the Port Industries of Corpus Christi expresses its steadfast support for a long and continued operation of Naval Station Ingleside as a vital military operation and economic catalyst to the South Texas and Gulf Coast region; and

Sherwin Alumina Company

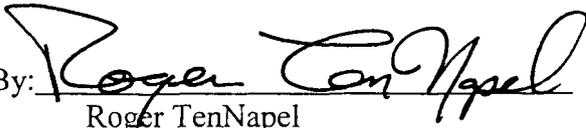

TRIGEANT, Ltd.

Valero

**222 Power Street - 78401
P.O. Box 1541 - 78403
Corpus Christi, Texas
Phone: 361/885-6206
Fax: 361/882-7110**

BE IT FURTHER RESOLVED THAT the Port Industries of Corpus Christi hereby ratifies and confirms this official position and all the responsibilities associated with such action.

Authorized by the Port Industries of Corpus Christi the 24th day of May 2005.
