Dear Mr. Chairman:

Thank you very much for taking time out of your very busy schedule to allow Ms. Cassandra Butler and me to interview you about the Base Realignment and Closure Commission process. We respect your commitment in leading this extensive process during a time of great demand for military change. We were asked to give a special presentation to our respective seminar on this meeting. We presented the key issues you discussed with us. The classes were very interested in knowing your thoughts and your process.

It was an honor to meet you and I wish you my very best. As I return to Georgia, I will continue to follow the news as your Commission progresses.

Sincerely yours,

Manny Flores
