Mr. Dick Messbarger
 Kingsville Economic Development Corporation
 635 East King
 Kingsville, TX 78363

Dear Mr. Messbarger:

This letter confirms the Bee Development Authority's intention to offer our former NAS Chase Field, on a contractual basis, to the US Navy and US Government contractors.

Recent BRAC events and the recent announcement of a possible new master Navy jet base initiative will give South Texas several economic opportunities and the BDA wants to be a part of this aggressive initiative.

This location offers excellent facilities with 3 runways and excellent airspace availability within the current Military Operating Areas (MOA's), convenient to both Kingsville and Corpus Christi, Texas.

More additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Montez', with a stylized flourish extending to the right.

 Director of Economic Development
