2521 South Clark Street, Ste 600
Arlington, VA 22202

Dear Commissioners:

The following is a letter I do not wish to write.

Dear Mr. Restaurant owner, due to being on a limited income, and now with the base closure I will no longer be able to afford to frequent your establishment. Dear Theater owner, due to the base closure and the BRAC Commission removing my last military benefits, I will no longer be able to seek outside entertainment, but will be sitting at home waiting for whatever movie to come to TV. Dear Department Store owners, due to my dwindling funds I find that I must now wear my clothing a little bit longer and will not be doing as much business with you. Dear beautician, I'm sorry, but due to losing my healthcare benefits, commissary, BX, and Shoppette, I will be doing my hair myself.

Repeat this letter by 2349 retired military members in just Clovis and Portales plus their family members. Then add in the retired military in Lubbock and Amarillo once they closed Reese AFB.

Sincerely,

Mary E. Weigl
