Dear BRAC Commission:

BRAC Commission

Received

My Husband and I were very upset to hear about The Willow Grove Base. I was raised in Peasterville, Pa. and my Husband in Huntington Valley. We remember as small children. The fears we had about the Russian's Bombing our Country. This was in the 1950s. Our Parents would tell us about The Willow Grove Base. We felt more secure.

Please help fight to keep The 111th Fighter Wing at Willow Grove.

Now as Adults we feel this would be a devastating loss of Revenue, to Jobs, and Businesses, and the Areas Economy and security it brings us.

Please we need to keep The 111th Fighter Wing at Willow Grove.

Thank you very much,

Mrs. & Mrs. K. Pass
